COMMENT OF THE WEEK

Rabbie2 4 days ago Report

Thought Spain has national health insurance for its citizens? But in your comic it is not free? But it is free in France? Curious as to where you get this info from? Other than that, I love your comic!!! Cannot wait to see next chapters! Love the twist on the story of Faust! 🍷

HI DEAR RABBIE2! THANK YOU FOR
YOUR KIND WORDS! I'M GLAD
THAT YOU'RE ENJOYING THE STORY!

NOW, WITH REGARDS TO YOUR QUESTION:

PEOPLE SEEM TO BE A LITTLE BIT
CONFUSED ON WHERE THE STORY TAKES
PLACE. THOUGH I'VE THROWN THE NAME
A COUPLE OF TIMES IN DIALOGUE, I GUESS
I NEVER REALLY EXPLAINED THAT BASTIAN
IS NOT A FICTIONAL CITY IN SPAIN, BUT
A FICTIONAL COUNTRY OF ITS OWN, SITTING
BETWEEN SPAIN AND FRANCE!

I HINTED AT IT WHEN MR. ROZEN SAID
HE WAS WORRIED KEREN WOULD HAVE
TO TAKE A TRAIN TO A DIFFERENT COUNTRY
WHEN THEY WENT TO BARCELONA, BUT
I THINK I ONLY CONFUSED YOU GUYS
EVEN MORE, SORRY ABOUT THAT!

IN DIALOGUE, MATEO WAS TALKING ABOUT
BASTIAN'S HEALTHCARE, WHICH, JUST AS
SPAIN'S AND FRANCE'S, IS FREE.

AS FOR WHERE I GET THE INFO FROM,
I MAY NOT LIVE IN EUROPE, BUT I GOT
FAMILY LIVING IN BOTH SPAIN AND FRANCE!
I DON'T INTERVIEW THEM FOR INFO
THOUGH, SO I WORK FROM WHAT I HEAR
FROM THEM AND FROM EXPERIENCE

I HOPE THAT ANSWERS YOUR QUESTION!

AND THAT'S IT FOR THIS WEEK!
THANK YOU, DEAR READERS, FOR
ENJOYING AND SUPPORTING FAUST!

SEE YOU NEXT WEEK!
